

2020 CHAMBER INFORMATION

Noon Luncheon Series: Held on the third Tuesday of each month. Lunch is served for \$10.00, and the location varies each month as we travel around the county. Each month a special guest speaker is scheduled. Great chance to meet fellow Chamber members, share your events and news. You are welcome to bring a guest(s). Kindly RSVP to the office if you plan to attend, if you wish to order the lunch served, and how many attending. Future members are welcome to attend this event once prior to joining the Morrow County Chamber of Commerce. We keep it to an hour so you can get on with your day!

Spotlight Series - We feature a member business who wishes to spotlight their business/organization weekly on our Facebook page. We promote your business with Ribbon Cutting events and Business After Hours. These events are held seasonally and as opportunity presents. They include Chamber Website and Facebook promotion, an ad in the Morrow County Shopper's Compass, and coverage in the Morrow County Sentinel. We help with Grand Openings, or Grand Reopening's too. This is a great way to show off your new, or newly remodeled, business. Please let us know if you are interested in having a Spotlight Event. We are here to help promote you!

Annual Events:

- Business Connection Breakfast (Mid-January)
- Chamber Golf Outing - one of the best! (early July)
- The Big Blast Chamber Shoot (Mid-September)
- Chamber Fall Annual Dinner & Auction (October)
- Christmas in The Village (1st Friday in December)

Chamber Education: **FREE** and exclusive to Chamber members. Small business education is key to success and is included with your 2020 Membership at no charge. Please plan to attend and bring a staff member or two!

Chamber Website: Check out the Chamber Website- fresh and newly updated this year. Formatted completely around you, our members, we know you will like what you see! Find us on the web at <http://morrowchamber.org>. Your business is listed on the website for easy referrals for viewers and is mobile friendly. We feature your business events and flyers on our site's calendar and other social media outlets we use. Please put the Chamber on your distribution list and/or email us your events so we can promote for you.

Chamber Facebook Page: 'Like' us on Facebook to keep your business in the Morrow County know and increase your business page reach. We keep our page active with events and member shares. Our Chamber list of Facebook friends continues to grow with your potential customers or clients. Let's get connected! <https://www.facebook.com/Morrow-County-Chamber-of-Commerce-316707718812/>

Chamber Visitor's Bureau: We serve as the Visitor's Bureau for all of Morrow County. We have a growing number of visitors and incoming calls to our office. Please bring or send us your brochures, business cards, event flyers, etc. When asked for information and referrals, we make sure to promote you with your printed business information!
