

2022 CHAMBER INFORMATION

Noon Luncheon Series: Held the third Tuesday of each month. Cost is \$10, and the location varies each month as we travel around the county. Each month a special guest speaker is scheduled. This is a great networking opportunity to meet fellow chamber members and share your events and news. You are welcome to bring a guest(s). Kindly RSVP by using the link provided on our events calendar. Future members are welcome to attend this event once prior to joining the Chamber. We keep it to an hour so you can get on with your day!

Spotlight Series: We regularly feature member businesses that wish to spotlight their organization on our Facebook page. We also promote your business with Ribbon Cutting events and Business After Hours. These events are held seasonally and as opportunity presents. They include chamber website and Facebook promotion as well as coverage in the Morrow County Sentinel. We help with Grand Openings/Reopenings too. This is a great way to show off your new or newly remodeled business. Please let us know if you are interested in having a Spotlight Event. We are here to help promote you!

Annual Events:

- Business Connection Breakfast
- Bowling for Business
- Golf Outing
- Annual Dinner
- Christmas Parade

Chamber Education: Free and exclusive to chamber members. Small business education is key to your success and is included with your membership at no charge. Please plan to attend and bring a staff member or two!

Chamber Website: Check out the Chamber Website-fresh and newly updated in 2020. Formatted completely around you, our members, we know you will like what you see! Find us on the web at www.morrowchamber.com. Your business is listed on the website for easy referrals for viewers and is mobile friendly. We feature your business events and flyers on our site's calendar and other social media outlets we use. Please put the Chamber on your distribution list and/or email us your events so we can promote for you.

Chamber Facebook page: 'Like' us on Facebook to keep your business in the Morrow County know and increase your business page reach. We keep our page active with events and member shares. Our chamber list of Facebook friends continues to grow with your potential customers or clients. Let's get connected! www.facebook.com/morrowcountychamber/

Chamber Visitors Bureau: We serve at the Visitors Bureau for all of Morrow County. We have a growing number of visitors and incoming calls to our office. Please bring or send us your brochures, business cards, event flyers, etc. When asked for information and referrals, we make sure to promote you with your printed business information!
