

2023 Sponsorship Opportunities

The Morrow County Chamber of Commerce is passionate about strengthening the many facets of our county and community. We strive to improve the business and economic environment while continuing to promote our area. Partnering with the Morrow County Chamber of Commerce is an excellent way to market your business and promote your commitment to our community.

Additionally, our Chamber depends on sponsorship as they are key to allowing our Chamber to maintain an affordable dues structure for all sizes of business. We are grateful for the continued support you each provide.

We have decided to structure our sponsorships differently for 2023. You can choose to be a yearly sponsor, or pick and choose.
